

GIRL SCOUT PROGRAMS AT THE LOUISVILLE SCIENCE CENTER

LOUISVILLE
SCIENCE CENTER

727 W. Main Street / Louisville, KY 40202 / 502.561.6100 / LouisvilleScience.org/events

Girl Scout programs that are all that and a box of cookies.

2011 Girl Scout Programs at the Louisville Science Center

Discover your inner scientist at the Louisville Science Center!

Daisies, Brownies and Juniors will have the opportunity to experience fun science activities that will fulfill requirements for Petals, Try-Its and Badges!

All Girl Scout Days are held on Saturday afternoons from 12:00-4:00 p.m. and include admission to permanent Science Center exhibits, program activities, take-home materials (if applicable) and a participation patch.

Dates are subject to change, advance registration is required and space is limited. **Please contact the Girl Scouts of Kentuckiana at 502.636.0900 to register your troop.**

LOUISVILLE
SCIENCE CENTER

New for 2011!

Two for the price of one!

All Brownie and Junior programs will now earn two Try-Its or Badges on the same day.

Brownie Try-It Days

Calling All Explorers – April 30, 2011

Fulfills requirements for both the **Eco Explorer** and **Space Explorer** Try-It

Science Magic – May 14, 2011

Cost: \$14 per girl, \$5 per adult

Junior Badge Days

Science Investigations – April 23, 2011

Fulfills requirements for both the **Science Discovery** and **Science Sleuths** Badge

Up & Away – May 14, 2011

Fulfills requirements for both the **Sky Search** and **Weather Watch** Badge

Cost: \$14 per girl, \$5 per adult

Daisy Days Flower Power

(Earns Green and Rose Learning Petals)

Discover the importance of protecting our planet! Learn how to conserve natural resources, explore recycling and investigate ways to make our world a better place.

Dates: January 29, February 12, May 21

Times: 10:30 a.m. – 12 noon or 1:30-3:00 p.m.

Cost: \$10 per girl, \$5 per adult

2011 Overnight Adventure Program

See It, Solve It:

It's a Science Center whodunit! Assume the role of a crime scene investigator in our mystery caper. Use real investigative techniques to learn the basics of forensics and biology and discover scientific principles like deduction and analysis to solve the crime!

All Overnight Adventures include a science demonstration, program activities, after-hours exhibit exploration, an exclusive IMAX film, snack, breakfast, and admission to all Louisville Science Center permanent exhibits.

Dates: March 25, May 13, May 27, June 3 (available to Girl Scouts grades 1-5 and their parents or chaperones); January 28, February 11, March 11 (open to any group grades 1-5 and their parents or chaperones)

Time: 5:00 p.m. – 9:00 a.m., 2nd day permanent exhibit admission included

Cost: \$30 per person

For additional information about the Overnight Adventure program or the Girl Scout Day program, call 502.561.6100, ext. 6111, or visit LouisvilleScience.org/events.

Do science.
Chocolate Chip Fossils

Explore paleontology with the help of your favorite cookie! It takes hours of work and a lot of patience to excavate fossils from sediment as they can be easily damaged and must be removed using small, precise tools. Try this: place a chocolate chip cookie on a plate and try to remove the chips using only a toothpick. You'll need to work carefully to make sure the chips don't break. How many could you remove?
